

# GOOD SHEPHERD MATRICULATION HIGHER SECONDARY SCHOOL CHENNAI

## ANTI HUMAN TRAFFICKING DAY

Human trafficking exploits women, children and men for numerous purposes including forced labour and sex. Trafficking affects all the regions and majority of countries in the world. Both men and women may be the victims of trafficking, but the primary victims worldwide are women and girls.

Based on this, creating awareness among young students morning assembly was conducted on 1st August 2016. All the children involved themselves in the assembly and explained the various cause and means by which girl children are exploited and sold as slaves. Children brought out the theme by giving an introduction of how human trafficking takes place in job opportunities, at homes and at public places. Even organs are sold without the persons knowledge and it is quite common now a days.

We are at the urge to spread the awareness among children and to guide them how to be safe in all places. Children prayed for all the victims asking God to give them comfort and to heal all those who are victims of human trafficking activities.

Through a dance drama, based on true incidents happened in three different countries they depicted the situations of how women are exploited especially girl children sold at various circumstances.

Finally children conveyed the message that  
**“By joining together with greater strength, by raising our voice we can be the change.”**

The thought for the day was **“Be alert, Be safe, Be a motivator to stop this human trafficking.”**
