

Good Shepherd Convent - Salem

Children's Day 2015

The children from all our Coaching Centres gathered on 14th November at 10am in our campus for the celebration. The Chief Guest of the day Rev. Fr. Sagayaraj, was welcomed by the children in traditional manner and was led to the hall in procession with the beating of drum and dance. The presence of the Priests and Sisters of neighbouring communities added to the joy of the occasion. The programme began with a prayer dance and lighting of the lamp followed by other cultural items. Children from all the centres participated in the programme with items like dances and skits with joy and enthusiasm thus making it very enjoyable for all those who were present.

The Chief Guest in his address appreciated and encouraged the Children for their presentation. He was full of admiration for the work done by the Sisters and Staff to empower these less privileged children. He made a reference to our Late President Dr. Abdul Kalam who always inspired children and youth in particular to pursue education for a better future for themselves and country. Winners of the sports events conducted earlier were awarded prizes.

Another highlight of the programme was the sharing of the experiences of the students who were sponsored by CHALICE and have reached at the graduate / post graduate level. They expressed their appreciation for having received encouragement and financial support to continue higher studies. This in turn was to motivate the younger ones to make use of the opportunities provided by us to reach greater heights.

A well prepared meal enjoyed by one and all gave a fitting finale for the joyful occasion - The Celebration of Children's Day.

May all the children of our country have opportunities to grow and develop into mature, useful and socially conscious citizens.
